

KARI MASHOS, C.S.B.
Member of The Christian Science Board of Lectureship

Dear Friends,

The following statement from *Science and Health with Key to the Scriptures* by Mary Baker Eddy speaks to the subject of the lecture, “Counteracting terrorism—the global reach of prayer,” we are preparing to give.

“When the divine precepts are understood, they unfold the foundation of fellowship, in which one mind is not at war with another, but all have one Spirit, God, one intelligent source, in accordance with the Scriptural command: "Let this Mind be in you, which was also in Christ Jesus." (S&H 276:4-9)

Here are some citations from the *Holy Bible*, *Science and Health* and other writings by our Leader that I am finding helpful in preparation for the lecture. You are welcome to join me in prayer and practice of these ideas.

Man 41:19-25
S&H 571:15
S&H 340:15-29
Matt 22:36-39

Together we will also be handling any suggestions of resistance to this lecture. I encourage all of us to pray daily for your community and lift off the impositions that would hinder anyone from recognizing the healing power of God’s law—Christian Science.

With love,

Kari
